Mind

Take it off your mind.
Bear it in your mind.
I don't mind.
Can I ask you a question if you don't mind.
Would you mind my smoking?
Mind your's and q's.
Would you mind a cup of tea?
First mind yourself.
Mind the dog.
Mind the step.
Never your mind.
Mind your age, you old man.
Please mind my bag till I come.
I set my mind to work here.
Today speak your mind me.
Put your mind to work.
Mind that you don't forget.
Where's your mind?
What's on your mind?
Oh, it slipped my mind.
Your mind is out of order.
I don't mind this weather.
Would you mind if I smoked.

Would that

Past

Would that I had succeeded.
Would that she had married me.
Would that it hadn't rained yesterday.
Would that you hadn't done so.
Would that he had come here.

Would that you didn't do so.
Would that you understood me.

I Wish

Past

I wish you hadn't done away with her.
There

There, I hate you.
There you are mistaken.
There you are sis.
There goes the bell.
There comes my bus.
There, he goes again.
There, there never mind.
Hey you there.
There, I love you a lot.
There there stop.
There now!

There's a bag in my room bring it.
There's nothing special.
Is there any one in the bathroom?
Is there a bus here to the station?
I wish it hadn't rained yesterday.
I wish he hadn't died.
I wish I had got there.
I wish he had saved me.
I wish it hadn't happened.

Future

He abuses her daily even then.

She doesn’t mind it.

Even now you can try.

We can do something even now.
